Next Friday evening the Carson theater goes will have the pleasure of listening to the finest minstrel company in the world. Of this troupe a Denver paper says:

The Thatcher, Primrose and West Minstrel Company opened their engagement at the Labor Grand last night to the largest house of the season.

The first part of the programme differs from anything before seen in Denver, and made a decided hit. The singing, dancing and specialties are of the best, and will surely fill the house every performance this week.

Thatcher's latest topical song, "In the Asylum," Primrose's impersonation of an English duke and unique dancing; Barber's bicycle act, and Barney Fagan's march were worthy of special comment.

Carson Choral.

A large and enthusiastic audience greeted the Choral Society last evening at the Opera House, on which occasion they gave their First Annual Concert. The music was of a high order of merit and excellently rendered. The performance reflected much credit on the musical ability of the participants and the efficiency of their leader Mrs. D. A. Bender, whose fine voice added much to the pleasure of the evening; Mr. John Meder being leader pro tem.

Limited space forbids individual criticisms and it is sufficient to say that the programme was thoroughly enjoyable from the somewhat facetious "Chorus of the Frogs" to the sweet strains of "Good Night, Farewell."

Flood in Kansas.

KANSAS CITY, June 17.—A terrible calamity has fallen upon Uniontown and Belletown, in Kansas, and the country round about them.

A violent wind and rain storm passed over that section, and the unprecedented fall of rain caused a dam above Uniontown to break, and the whole village was swept away.

The latest accounts of the floods are to the effect that the whole town was destroyed and that two women and four children were drowned.

The damage occurred in a thickly settled region, and the damage must have been very great.

It is feared that the loss of life is heavier than reported.

The storm struck the Western part of Bourbon county late at night, coming from the West, where it played great havoc.

The upper valley of Walnut is flooded from excessive rains. The streams are higher than for many years.

On Saturday night the river came up suddenly, and a family named Graham started from home to high land and the mother and babe were drowned, the father and one child escaping.

What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trums put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? H. Chedie, Druggist.

Cough and Cough! and Cough!

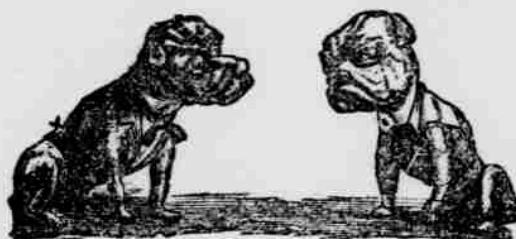

What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedie, Druggist.

The Walker, Iowa, News, says: "Our old friend, Robert Baird, of Muscatine, Iowa, has been Secretary of the State Senate, and an active politician for years, but was never generally known until he had the colic, and used Chamberlain's Colic, Cholera and Diarrhoea Remedy, and got into one of their advertisements. "Now he is famous." Here is what Mr. Baird said: "While in Des Moines, I was taken with a severe attack of bowel complaint. For two days I suffered intensely, trying several drug stores and paying them for relief, but in vain. I finally bought a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and two doses of that brought me out all right. It costs less than the drug store preparations and I have the balance for future use. I consider it a grand remedy." 25 and 50 cent bottles for sale by G. C. Thaxter.
